

# iSpeed for CGO600 and CGO600 pro *installation manual*

## EASY INSTALL (NEAR THE DISPLAY)

**WARNING: Make sure your e-bike is turned off !**

1. Unplug the display cable of your Tenways CGO600 or CGO600 pro
2. Connect the iSpeed blackbox to the two green connectors
3. Secure the blackbox with a zip tie and enjoy

Note: In light of the new stealth install method and reducing plastic waste, we decided to no longer supply a zip tie in shipments as from Aug 26, 2023.
